THE CENTER FOR AMERICAN ART

"THE infant Salmagundi was born at 596 Broadway, in the City of New York, at eight o'clock on a Saturday night in the month of November (it may have been December), in the year of Our Lord eighteen hundred and seventy-one. It is a comfort to be precise about the hour of the day and the day of the week, and a comfort to feel that the circumstance of the child's eyes opening, as they did, on the skylight of a studio, had something to do with its after career in the world of art.

The infant was an infant club, or rather an infant destined to grow up into a club. Like its predecessor, the Century Association, the Salmagundi Club had an humble beginning in a group of art students who formed a sketch class for mutual improvement. The first meeting of the original Sketch Class was in the studio of the late Jonathan Scott Hartley, in the old building then standing at 596 Broadway, just below the corner of Broadway and Houston Street. It was a custom inaugurated at the beginning to select a subject for illustration, and on the following Saturday evening a half-dozen sketches would be displayed on the Studio easel for mutual admiration and friendly criticism."
